

November 24, 1970

Dr. Sheldon Gaylin
Director of Psychiatry
Grasslands Hospital
Valhalla, New York 10595

Dear Shel,

I am pleased to submit my application for appointment to the Division of Psychiatry at Grasslands. I hesitate to submit letters of recommendation, other than Al Freedman's, for any others would be redundant and pro forma.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
