Dr. Jay Stanton, President  
Nassau Neuropsychiatric Society, Inc.  
27 Maple Drive  
Great Neck, New York

Dear Jay,

As Bill may have told you, I had attempted to join both the New York and Nassau District Branches but find now that it is impossible. It is with a feeling of regret that I must ask for transfer from the Nassau Neuropsychiatric Society to the New York District Branch and assume that I must also resign from the Board of Directors.

It has been an honor and a pleasure to work with you these past few months and hope that I will have many opportunities to continue our association at the public meetings of the Society.

Please accept my thanks for your confidence in me.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
