Dear Dr. Lewis:

Enclosed is a registration form for myself and one of my co-workers, Dr. Rhea Dornbush. I have asked Dr. Dornbush to attend the meeting and we have separately requested a reservation at the Sheraton Inn on her behalf.

We have reviewed the work we would like to present at the Symposium and I would ask that you amend the authors to include: Max Fink, M.D., Rhea Dornbush, Ph.D., Jan Volavka, M.D., and Alfred Freedman, M.D.

The presentation title should be amended to read:

"Acute and Chronic Physiological and Behavioral Effects  
of THC and Marijuana in Volunteers"

We will prepare a manuscript for publication, which hopefully will be ready at the time of the meeting.

My secretary has made reservations from LaGuardia Airport to Oklahoma City on TWA, Flight #73 on June 13, and returning on June 15, Flight #464.

Again, my thanks for your invitation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
