Dear Bill,

I look forward to seeing you on Thursday, October 23. I suggest that you come to Gracie Square Hospital (420 East 76th Street), as it is there that I plan to undertake the studies of butaperazine. I am enclosing a provisional protocol for your review so that we can discuss it more thoroughly.

Incidentally, if you get in early enough on Wednesday, would you care to have dinner? I will be staying in the City late that evening and will be pleased to have dinner with you and your associates.

I will ask Kathy to call you on Tuesday.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
