Dr. Ralph Jacobsen
Endo Laboratories
1000 Stewart
Garden City, New York

Dear Dr. Jacobsen:

Mr. Kline delivered the naloxone - many thanks.
Dr. Zaks and I are discussing the details of our protocol
and we anticipate the need for placebo tablets at sometime
during the investigation of each subject. Would it be
possible for you to supply us with 1000 identically scored
placebo tablets.

Many thanks!

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
