George Saslow, M. D.
Professor of Psychiatry
University of Oregon Medical School
Department of Psychiatry
3181 S.W. Sam Jackson Park Road
Portland, Oregon 97201

Dear George:

I am pleased to enclose a preprint of the presentation made to the Society of Biological Psychiatry. All the data is included and it may be more helpful for you at this time than waiting for the reprint which may not be available for a year.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
