Dr. Alexander M. Don
Warley Hospital
Brentwood, Essex
England

Dear Dr. Don:

This morning we received official notice from the Department of State that these new forms are now to be used.

I believe your application would be expedited if you destroyed both previous certificates and submitted this one instead.

If you have already submitted the earlier one, I would suggest that you call the Consul and explain that you have the latest form and let him elect which to use.

Sincerely yours,

Max Fink, M.D.
Director
