Dr. J. Roubicek  
Psychiatric Research Institute  
Prague, Czechoslovakia

Dear Dr. Roubicek:

During your last visit to our laboratories, we discussed the possibility of your participation in the study programs of this department during 1968.

I plan to be in Europe in February and would like to arrange a visit to your laboratories during the last week of the month. I would like to arrive on Sunday evening, February 25 and visit with you on Monday, February 26. This is a tentative date, for I may be detained by one or two days, but I should know this late in January.

Would it be possible to visit with you at that time? I would like to have the opportunity to meet with your associates, and Dr. Matousek in particular.

In the meanwhile, my best wishes for a Prosperous and Happy New Year!

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
