Dr. Michael C. Barry
Assistant Medical Director
White Laboratories, Inc.
Kenilworth, New York 07033

Dear Dr. Barry:

I have arranged for the concentrated Permitil to be tested in Istanbul by Dr. Necmettin Polvan. He has just written to me that the form is agreeable. I would be grateful if White Laboratories would supply us with a similar concentrate of approximately 100mg/cc. If we plan to treat 40 patients for a 3 month period, I estimate that we will need 360 grams.

I would like to file the necessary FDA forms and would ask your help and advice as to how to go about this.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
