Dear Dr. Polvan:

I want to take this opportunity to thank you for your tour of Istanbul and your excellent translation of my report. Before I left I had breakfast with Dr. Sümer and he confirmed that you had done a very good job. Many thanks.

I am enclosing a number of reprints of my work in ECT and some of the more recent articles on drugs. I hope these interest you and I wish you the best of luck in your study programs.

Sincerely yours,
