

September 2, 1969

Mr. Jerry Sherman  
Sales Representative  
White Laboratories, Inc.  
Kenilworth, New Jersey 07033

Dear Mr. Sherman:

Many months ago you were kind enough to leave a supply of Permatil concentrate. I have had occasion to give this to a physician for trial and would suggest an additional supply for clinical use. Would you please send me two 8 ounce bottles of Permatil concentrate?

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
