Earl Usdin, Ph.D.,
Psychopharmacology Research Branch,
National Institute of Mental Health,
5600 Fishers Lane,
Rockville, Maryland 20852.

Dear Doctor Usdin,

Thank you for sending me a copy of "Psychotropic
Drugs and Related Compounds", second edition. I have
found the first edition useful and in scanning this
issue, easily found some experimental compounds which
I recently studied.

It is a fine volume, and I commend you and your
associates for a valuable resource. Again, my thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
