Director of Education and Chief Psychologist  
Mental Health Division  
Oregon State Board of Control

Dear Dr. Berger:

I would like to take this opportunity to thank you for your kind invitation, and to tell you how much I enjoyed my visit. I was very much impressed with Dr. Guiss and the members of the staff whom I met. I enjoyed the tour of the hospital. As I told you, the questions and the comments of the practitioners were unusually cogent and instructive to me. If members of the audience gleaned as much as I did in this conference, I believe you have had a successful session.

Dr. Irwin was very kind and showed me much of Portland. We toured the Medical School, and a number of the residential districts. I found the city delightful.

I am enclosing the various receipts which you may need and a statement of my incidental expenses. It was not possible to return the same evening and it was necessary to stay overnight in San Francisco.

Thank you very much for your invitation.

Sincerely yours,

Max Fink, M.D.
