Dear Dr. ^{Alex} Kaplan:

Thank you very much for the invitation to attend a lecture by Dr. Sinha. I regret, however, that we expect a visit of Dr. James L. Gibbons of the Department of Psychological Medicine of Newcastle, England to the Institute that afternoon and he is scheduled to give a talk on his biochemical studies at Washington University the same afternoon.

Thank you for thinking of us.

Sincerely yours,

Max Fink, M.D.
Director
