

January 25, 1968

Dr. Perry Black
Division of Neurological Surgery
Johns Hopkins Hospital
601 North Broadway
Baltimore, Maryland 21205

Dear Dr. Black:

Enclosed are two copies of the report "Drugs, EEG and Behavior," as a contribution to the symposium "Drugs and the Brain."

For publication purposes the proper academic affiliation is, Professor of Psychiatry, New York Medical College.

Thank you for your kind invitation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
