John M. McGrath, M.D.  
Assistant Director of Clinical Research  
Hoffman-LaRoche, Inc.  
120 South LaSalle Street  
Chicago, Illinois 60603

Dear Dr. McGrath:

Thank you very much for your consideration in sending me the volume "*Psychoneurosis and Schizophrenia*" edited by Dr. Ustin. I have reviewed this with great interest.

May I take this opportunity to indicate that I will be leaving St. Louis about June 1 to take up my new position as Professor of Psychiatry at the New York Medical College. In this position I look forward to developing clinical evaluation programs similar to those which we have undertaken in Missouri.

My address of record will be:

Department of Psychiatry  
New York Medical College  
Fifth Avenue at 106th Street  
New York, New York 10029

The reports of the combined drug study program are now being written, and those for which I have accepted responsibility will probably be completed this summer. Copies will be sent to you as soon as they are available.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
