Mr. J. H. Williams, Jr.  
IBM Federal Systems Division  
7220 Wisconsin Ave.  
Bethesda, Maryland

Dear Mr. Williams:

I was unable to attend the recent Las Vegas meeting but in reading the abstracts find that you have presented a report which is of interest to our work here.

I would be grateful for a copy of the report "A Discrimination Method For Automatically Classifying Documents!"

Many thanks.

Sincerely yours,

Max Fink, M. D.  
Director
