Dear Gordon:

Thank you very much for your letter of recommendation for Mr. Paul Naitoh. I found his curriculum vitae of considerable interest and have discussed it with my associates. At the present time, I am awaiting the arrival of a Japanese Neurophysiologist, who is joining my staff on April 1. I would like to present the record to him and then, if he concurs, invite Mr. Naitoh to visit our institute.

Thank you very much for thinking of us, and I look forward to seeing you at the next ECDEU meetings.

Having just gone through another midwestern winter, I can see one good reason why you have decided to spend some time in California!

My best regards.

Sincerely yours,

Max Fink, M.D.
