Dear Elaine:

It is with great pleasure that I send you a copy of this bibliography which has just been published. While I know that you have copies at the Clearinghouse, I have taken the liberty of inscribing this one because you were so instrumental in the original venture. As I wrote to Lorraine, I think your present efforts will make the work that we have done creating this bibliography unnecessary in the decades to come.

Again, many thanks.

Sincerely yours,

Max Fink, M.D.
