Dr. William Zung  
Veterans Administration Hospital  
Durham, North Carolina

Dear Dr. Zung:

It was a pleasure talking to you in Atlantic City. I would be grateful for your sending me a copy of your curriculum vitae so that I might have this reviewed at the Medical School.

I am enclosing copies of the presentation in Atlantic City as well as the volume prepared by Dr. Shapiro and myself. The programs are included and I would be pleased to discuss this with you at your pleasure.

I discussed with Dr. Shapiro the Markovian Model and I would be grateful for any of your reprints and preprints which may be available so that we can learn more about your applications.

I was also stimulated to review the effects of various compounds on sleep and would be pleased to have a copy of your presentation in Atlantic City as well as the earlier one to which you referred.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
