Ms. Bettie McLeod
Clinical Psychiatry News
4907 Cordell Avenue
Washington, D. C. 20014

Dear Ms. McLeod:

Enclosed is the galley proof with some corrections. I have added a paragraph which may put this presentation in a broader context. One paragraph is marked as "out of context" and probably should be deleted.

A photograph is included for your use.

Be sure to send me a copy of the newsletter.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
