Dr. N. Vasavan Nair
Tutor in Medicine
Medical College Hospital
Trivandrum, S. India

Dear Dr. Nair:

Dr. Humphry Osmond of the New Jersey Neuro-Psychiatric Institute was kind enough to refer your letter to me.

The Missouri Institute of Psychiatry is a sister institution to the New Jersey Neuro-Psychiatric Institute. We have similar facilities and have similar opportunities.

If you would be interested in joining a staff such as ours, I am enclosing an outline of our program as well as an application form.

According to your letter, you have participated in a research program and I would be interested in the reference to any articles which you may have published.

Sincerely yours,

Max Fink, M. D.
Director
