

DEPARTMENT OF EXPERIMENTAL PSYCHIATRY

July 3, 1962

Mr. Maurice Bachrach
Administrator
Hillside Hospital
Glen Oaks, L.I., N.Y.

Dear Maurice:

You, probably more than any other member of the Hillside family, know the debt I owe to you for the patience and support which you have given this Department during these last few years. For your help, kindness and patience, I am most grateful.

Enclosed is a copy of my formal letter of resignation, which I am submitting with the mixed feelings of regret for our many unfulfilled aspirations, and with excitement and enthusiasm for the future at Missouri.

May I also take this opportunity to invite you to visit us in St. Louis at your convenience. I shall look forward to such an occasion as an opportunity to welcome a friend and co-worker.

With my best personal wishes for your continued success at Hillside, I remain,

Sincerely yours,

MF:gp

Max Fink, M.D.
