Dear Joel,

I am pleased to send you a draft copy of my report *Cholinergic Aspects of Convulsive Therapy*, which will be presented at the forthcoming meeting of the American Psychiatric Association. I do so at the request of the Program Committee and look forward to your critique. But you must know that I may have to edit it to conform to the time limitations of the program.

May I say that I enjoyed having lunch with you and want to thank you for your many kind comments regarding the opportunities in New York.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
