Dear Dr. German,

We are pleased that you have considered the publication of our report, *Clinical Evaluation of GP-41299*, with favor. We can reimburse the journal for the additional costs of earlier printing, and understand that the cost will approximate 1400 DM.

Enclosed is an English summary of our report. Our ability in written German is insufficient to provide an adequate translation, and I would appreciate an effort by one of your editors on our behalf. Many thanks.

We have found a number of interesting reports in the *Arzneimittel-Forschung* which have been helpful to us, and we would be pleased to share our experience with the other readers of your journal.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
