Gentlemen:

I am writing with regard to group policy # GLG-1387 of the American Psychiatric Association with the United Benefit Life Insurance Company. My certificate number is 1151 and the beneficiary is my wife, Martha G. Fink. I would like to provide for a contingent beneficiary for that contract.

In the event that my wife is not living, the proceeds of this contract are to be paid to my children, then living, to share and share alike. The children are Jonathan H. Fink, Rachael G. Fink, and Linda S. Fink.

I should like this matter to be made a matter of record, and if this is insufficient I would be grateful for the proper forms to carry out this request.

Sincerely yours,

Max Fink, M.D.
Director
