Mr. Edward J. Fitzgerald, Jr.
District Director of Internal Revenue
120 Church Street
New York, New York

Dear Mr. Fitzgerald:

As part of the research programs of the Department of Psychiatry of this college, we have been undertaking studies in narcotic addicts. We wish to extend these to include studies of marijuana.

Would you kindly send me the appropriate forms which must be filed to maintain and obtain supplies of marijuana?

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
