Dr. Louis Belinson
Deputy Director
Marshall State School
Marshall, Missouri

Dear Lou:

We will be able to accept Mr. Joe William Stewart for training in the EEG laboratory the week after Labor Day as our equipment has been delivered. I should be grateful if you would have him contact me directly and indicate when he would come.

I have not heard from you as to whether you wish St. Louis State Hospital to provide him with accommodations. If you wish this, please write a note to Dr. Kohler.

Sincerely yours,

Max Fink, M. D.
Director
