Dr. T. P. S. Watts
Geigy Pharmaceuticals
Ardsley, New York

Dear Paddy,

Thank you very much for the supply of ST-155 which arrived safely.

Dr. Simeon has begun the study program and we are first going to make up a small rating scale and then will begin the screening of patients.

Plan to come and visit us in a few weeks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
