Dear Dr. Longo:

Thank you very much for your acceptance of our invitation to participate in the symposium of the CINP in March. I would be grateful if you would send a copy of your excellent review, which I have just read to the Co-chairman of the symposium, Dr. Philip Bradley (The Medical School, Birmingham 15, England), so that we can make a proper disposition of our time following your request.

The program is being organized and as soon as I have more specific details, will write to you. Also, your request for financial assistance will be included in our final request to the CINP Committee and we should have a response from them some time in January.

I am looking forward to your participation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
