Dear John,

I am writing to request a copy of your presentation on the status of psychosurgery, as presented to the APA in Toronto. In addition, would it be possible to obtain a copy of the recommendations of your task force on psychosurgery ?

I am preparing a paper on the advances in the organic treatments in schizophrenia for Loe Bellak and I would like to cite your experiences.

Many thanks and my best regards.

Sincerely yours,

Max Fink, M.D.
