Dr. William Zung  
Veterans Administration Hospital  
Durham, North Carolina 27705

Dear Bill:

I trust the enclosed check will defray your expenses for your recent visit. We enjoyed having you very much and look forward to having you visit at your convenience this summer.

I will be Chairing the Sunday afternoon session of the Society of Biological Psychiatry and at Dr. Koella's suggestion will call on you early in the afternoon.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
