

July 7, 1969

Dear Mrs. Speert,

Thank you very much for the bibliographies which you recently sent me; I did find them most helpful, and wish to congratulate you on a job well done.

The bi-weekly citation list would be most useful, and I would be grateful if these could be sent to my laboratory, for my use and that of my associates ?

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
