Dear Mrs. Frenchman:

The transfer to the University of Missouri School of Medicine has been complex. I became aware that the University had not paid the premiums for February and March which I requested. I have brought this to the attention of the administrator of the Department, and he assures me that this will be corrected. It is probable that the first payment will reflect the payment for the first few months under this new relationship.

Thank you very much for writing to me.

Sincerely,

Max Fink, M.D.
