Dear Lothar,

I am enclosing a draft of the Q & A contribution to the special issue of *Seminars in Psychiatry*. Following your suggestion, the contributions are summarized, and I am enclosing a copy for your information. Any suggestions for changes will be appreciated.

The issue will appear in February, and I am hopeful that it will complement your text, which is the standard.

My thanks for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
