Dr. William P. Benjamin, Secretary  
Nassau Neuropsychiatric Society, Inc.  
1200 Stewart Avenue  
Garden City, New York 11533

Dear Bill,

As my principal office is now in New York, I have asked to join the New York County District Branch of the American Psychiatric Association in order to participate in their program.

While I was a member of both societies before leaving for Missouri, I find now that the rules of the APA make this double membership impossible and I am, therefore, requesting a transfer from the Nassau (New York) District Branch to the New York County District Branch of the APA. I would be grateful if you would sign the enclosed forms and send them to Dr. Sidney Malitz at 11 West 42 Street, Room 460, New York, New York 10026, Secretary of the New York District Branch.

I do not know if it is possible to officially continue in the Nassau Neuropsychiatric Society, but I would like very much to continue my association unofficially and look forward to continuing to attend the public meetings of the society.

My best wishes.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
