Dear Leo,

The work in Greece seems to be going very well. On Sunday, Professor Stefanis called me with two requests - additional supplies of cannabis, and an enquiry as to the status of the funds for the period April to June, 1972.

I recollect that when we discussed this some weeks ago, the necessary submissions had been made and that you anticipated a review of our request at that time. May I ask for a followup?

My best regards,

Sincerely yours,

Max Fink, M.D.
