Dear Dr. Carlton:

First, let me take this opportunity to thank you for your participation and excellent presentation at the CINP Symposium on anticholinergic drugs.

I am writing to tell you that we have been able to make arrangements with Elsevier to publish this symposium as Volume 28 of *Progress of Brain Research*. I trust this pleases you.

The editors have asked that we try to get the manuscripts to them in final form by the first of June. I am writing, therefore, to request a final copy and figures as soon as possible.

Many thanks for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
