

February 24, 1964

MH 8388-01 Career Psychiatric Residency Program 7-1-64-6-30-65  
\$32,640

Dr. Francis Schmehl  
Chief, Health Research Facilities Branch  
and Resources  
National Institutes of Health  
Bethesda 14, Maryland

Dear Dr. Schmehl:

This is to advise you that effective January 1, 1964, Dr. Raymond Knowles, M.B.B.S., was appointed Superintendent of the St. Louis State Hospital, replacing Dr. Louis H. Kohler, M. D.

It is also with pleasure that I request the following be added to the records of this grant application. During the past few weeks, we have been notified that the Surgeon General has approved the following Public Health Service grants which were presented to the October meetings of the National Advisory Mental Health Council:
