April 9th, 1973

Nathan S. Kline, M.D.,
Research Center,
Rockland State Hospital,
Orangeburg, N.Y. 10962.

Dear Nate,

August 29th in Beerse is convenient. When I was last in Beerse, I was a guest of the Janssen family. I found their hospitality impeccable, and the occasion is memorable.

I look forward to joining the committee in Beerse on August 29th.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
