Mr. Rudy Wein,
Colby College,
Waterville, Maine.

Dear Mr. Wein,

I want to thank you for your letter of April 29th. While I would be very much interested in having another student working with me, I am unable at the present time to fund such a position, as I have already taken on two young assistants. I trust that you would be admitted to medical school. Should you have an opportunity to visit Stony Brook campus, I would be delighted to meet you and to show you the kind of work that is going on here.

My best wishes for the success of your career.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
