Dear Drs. Künkel and Dolce,

I am busy at work preparing the document you requested for the forthcoming meeting of the CEAN. I am writing to tell you that I have completed the text and as soon as some of the tables are prepared and the text re-typed, both will be sent to you. I believe these will leave my office by mid-week next, February 5.

I trust that this slight delay will not impair the working of the congress.

May I ask that your records be changed so that future communications be sent to my address at Stony Brook, or better yet, my private box:

Max Fink, M.D.
P.O. Box 269
Great Neck, New York 11022
U.S.A.

The address at the New York Medical College is rarely used by me and messages there are delayed.

My best regards.

Sincerely yours,

Max Fink, M.D.
