Dear Dr. Zarafonetis:

Enclosed is an abstract "Clinical Antidepressant Activity of the Narcotic Antagonist, Cyclazocine" for your consideration for the forthcoming meetings of the American Therapeutic Society. If this presentation is accepted, I will plan to present our observations.

We would prefer presenting this data at the Honolulu Session, or the first day in San Francisco since I have another commitment at the Society of Biological Psychiatry on June 14, in Washington, D.C.

Thank you for your consideration.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
