Dr. J. Zukin
N. Y. State Psychiatric Institute
722 West 168th Street
New York, New York

Dear Joe:

As a fellow-up to our discussion two weeks ago, I wrote a short editorial for Joe Wortis and *Biological Psychiatry*. I know that such opinions are out of fashion now, but expressing them may-nudge the pendulum slightly - for move it must if ever we are to see a taxonomy of psychiatric disorders.

A copy of my answer to Klein and Spitzer is enclosed.

My regards.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
