Dear Martin:

My buddy, Turan Itil, would like to participate in some of the advantages of the Eastern EEG Society, including invitations to the ski meetings and perhaps the special reduced fares on plane trips to Europe this summer. He has asked me to recommend him to the Eastern EEG Society, and the rules require that he be sponsored by two of us. Would you be willing to write a letter to Dr. Milton Tarlau, Secretary-Treasurer, EAEEG, 80-02 Kew Gardens Road, Kew Gardens 15, New York, on Dr. Itil's behalf? For your information, a copy of his curriculum vitae is enclosed.

I expect to be in New York this week-end, and will call you.  
Best regards to all.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
