Dr. Sidney Malitz
New York State Psychiatric Institute
722 West 168th Street
New York, New York

Dear Sid,

As you know, I have recently returned to New York and I would like to re-establish my association with some of the scientific societies in the City. I would like to reapply for reinstatement as a member of the New York Society for Clinical Psychiatry. When I met Arthur Zitrin yesterday, he suggested that I write to you.

Would you kindly send me such application forms as may be necessary.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
