Gentlemen:

Enclosed please find a copy of John C. Fisher's Energy Crises in Perspective, as well as the invoices you sent with the book. I am returning the book as it is not the book I ordered; in December, I ordered a copy of Opiate Addiction: Origins and Treatment by Seymour Fisher and Alfred Freedman. This was a Halsted Press title, and prepayment of \$8.96 (special price to members of the American College of Neuropsychopharmacology) was enclosed with my order. I am still waiting for this book.

Your prompt attention in this matter will be most appreciated.

Sincerely yours,

Max Fink, M.D.
