Miss Gloria Podrid, Secretary  
Research Department  
Hillside Hospital  
P. O. Box 38  
Glen Oaks, New York

Dear Gloria:

In going through some EST slides, I found three which had no caption. Since the slide gives me the EEG number, I would be grateful if you would check your files to find the report, if still available, for the following Hillside Hospital EEG Records:

HH 1392  
HH 1484  
HH 1486  
HH 1548  
HH 1572  
HH 1597  
HH 1599

I believe that the records will clarify the samples that were placed on the slides which I believe are dated 1957.

My best regards.

Sincerely yours,

Max Fink, M. D.  
Professor of Psychiatry
