Dr. Joseph Zubin
722 West 168th Street
New York, New York 10032

Dear Joe,

Thank you for the copy of the APPA program.

My nomination for the Hoch Award is Martin Roth of Newcastle. For at least two decades he has been a leading figure in attempting clarification of psychopathology. He has written on a broad spectrum of subjects and in this regard is quite similar to Paul Hoch.

Sincerely yours,

Max Fink, M.D.
Secretary
