Dr. John I. Nurnberger  
Department of Psychiatry  
Indiana University Medical Center  
1100 W. Michigan St.  
Indianapolis 7, Indiana

Dear John,

It was kind of you to recommend Dr. Fred Johnson to us. When I spoke to you in San Francisco it was in response to the question of trainees from overseas. We have positions open for clinical psychiatrists and research trainees in neurophysiology and biological psychiatry.

I regret that we do not have a position for Dr. Johnson, but thank you for your recommendation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
